Who's that guy?

Pranav's the one everyone's been talking about — the name that keeps coming up, the face you don't forget once you've seen it.

He's iconic; he doesn't chase the spotlight, he becomes it. His presence is magnetic, his energy unmatched.

His story is just beginning, yet people already ask, "Who's that boy?" — but he doesn't need to answer. Just a look, and it says it all.

Every step he takes tells a story, every moment becomes a memory. And this? This is only the beginning. There's so much more to come—and trust it won't be the last time you hear his name.

Letter from the editor

Dear Pranav,

As you turn another year older, I just want to pause and celebrate the incredible, iconic person you are. You've always been more than just someone special — You bring comfort on hard days, laughter in the best moments, and a bond I'll always value.

This magazine is just a small reflection of how much you mean to me. Every page carries a piece of you —the joy, the memories, the little quirks that make you unforgettable. Because you're not just someone in my life, you're truly one of a kind.

I hope this year brings you endless laughter, crazy adventures, and everything your heart has been quietly wishing for. May you always remember how loved, cherished, and celebrated you are—not just today, but every single day.

Stay iconic. Stay you. Because the world honestly wouldn't shine the same without you in it.
